

## Scott E. Olson

Scott E. Olson, AIA, CFM, SIOR

Registered Architect/Commercial Real Estate Broker

Scott is the only commercial broker in the U.S. who holds dual Society of Industrial and Office Realtors® (SIOR) designations and is also an International Facility Management Association (IFMA) certified facility manager, as well as a registered architect. After 19 years of bringing exceptional insight and knowledge to commercial projects, Scott's sales/leasing volume has exceeded \$500 million. His diversified commercial real estate experience includes everything from proposal development and client presentations to feasibility studies, market analysis, rezonings, sales/leasing, consulting services and expert witness testimony.
