

## AFFILIATIONS

The professionals at Skogman Real Estate at the Penthouse are proud to be certified, accredited and accepted as members by some of the most respected institutions in the real estate industry.

### SIOR

The Society of Industrial and Office Realtors® (SIOR) is the leading professional commercial and industrial real estate association. With over 2,000 members in 350 cities worldwide, the Society represents today's most knowledgeable, experienced, and successful commercial real estate brokerage specialists.

The Society certifies its members with the prestigious SIOR designation, a professional symbol of the highest level of knowledge, production, and ethics in the real estate industry. Real estate professionals who hold the SIOR designation are recognized by corporate real estate executives, commercial real estate brokers, and agents, lenders, and other real estate professionals as the most experienced and capable practitioners in any market.

### CCIM

A Certified Commercial Investment Member (CCIM) is a recognized expert in the disciplines of commercial and investment real estate. A CCIM is an invaluable resource to the commercial real estate owner, investor, and user, and is among an elite corps of more than 9,000 professionals who hold the CCIM designation across North America and more than 30 countries. Nearly 10,000 additional professionals are pursuing the CCIM designation.

Recognized for its preeminence within the industry, the CCIM curriculum represents the core knowledge expected of commercial investment practitioners, regardless of the diversity of specializations within the industry. The CCIM curriculum consists of four core courses that incorporate the essential CCIM skill sets: financial analysis, market analysis, user decision analysis, and investment analysis for commercial investment real estate.

### ICSC

Founded in 1957, the International Council of Shopping Centers (ICSC) is the global trade association of the shopping center industry. Its 38,000 members in the U.S., Canada and more than 70 other countries include shopping center owners, developers, managers, marketing specialists, investors, lenders, retailers and other professionals as well as academics and public officials. As the global industry trade association, ICSC links with more than 20 national and regional shopping center councils throughout the world.

### IFMA

The International Facility Management Association (IFMA) was established in 1980 as a not-for-profit, incorporated association dedicated to promoting excellence in the management of the work environment. With a vision to universally represent facility management as a profession, IFMA's mission is to lead and sustain programs of the Facility Management profession. IFMA's core purpose is to strengthen and advance the knowledge base essential to leading the integration and optimization of the built environment worldwide.

### AIA

The American Institute of Architects (AIA) is the professional organization that helps architects serve the public's needs and builds awareness of the role of architects and architecture in American society. The American Institute of Architects has been the professional society for architects since it was founded in 1857. Through its national headquarters in Washington, D.C., and its almost 300 local chapters nationwide, the AIA represents more than 56,000 members.

### FACHE

The Fellow designation in the American College of Health Care Executives (ACHE) is given to those individuals who successfully pass an examination, complete several projects, and then participate in continuing education each year. The College is an international professional society of more than 30,000 healthcare executives who lead hospitals, healthcare systems and other healthcare organizations.
